

FRIENDSHIP FOREVER

Words and Music by Matthew Crossey

(Teachers and pupils)

- 1 Pack up your books, your coat and your bag,
Have one final look and try not to feel sad,
'Cause wherever you go we'll be here,
In our hearts you will always be near.

(All)

CHORUS *So put your hands together,
Move forward forever,
And know that we'll always be friends.
As we look to the future,
On our new adventure,
You know that this friendship won't end,
Friendship forever,
Friendship forever,
Friendship forever.*

(Leavers)

- 2 Thanks to the teachers who taught us so much,
We'll send you a postcard, yes we'll stay in touch.
'Cause wherever we go you'll be here,
In our hearts you will always be near.

CHORUS

(Leavers)

- 3 Goodbye to the pupils that we leave behind,
Soon it will be your turn but now it is mine.
And wherever we go you'll be here,
In our hearts you will always be near.

CHORUS

*Friendship forever,
Friendship forever,
Friendship forever.*
