

DREAM BIG

Matthew Crossey & Tom Kirkham

Follow your heart and let it guide you,
Look to the stars, let them inspire you,
Open your mind and see the world outside.
Playing it safe, well they're mistaken,
Nobody knows the path not taken,
Better to try and hold on for the ride.

Dream big, dream big.
Dream big, dream big.
Cos you just never know
If you give it a go
And dream big.

Dream big, dream big.
Dream big, dream big.

Learn to be you in all your glory,
Nobody else, it's not their story,
Don't let them tell you who you ought to be.
Better that you fail and learn from failing,
No-one ever said it would be plain-sailing.
Little in life comes with a guarantee.

Dream big, dream big.
Dream big, dream big.
Cos you just never know
If you give it a go
And dream big.

Dream big, dream big.
Dream big, dream big.

Dream big, dream big.
Dream big, dream big.
If you shoot for the stars,
Then you're gonna go far,
If you're willing to dare,
Then you're half the way there,
Cos you just never know
If you give it a go
And dream big.

Dream big, dream big.
Dream big, dream big.
